United States to International Points)	

WholeTel, Inc. (“WholeTel”) attests to its qualification for streamlined processing under 63.12 as follows:

WholeTel is not a foreign carrier, nor does it control a foreign carrier as defined in Section 63.09(d), in any destination market.

No two or more foreign carriers, or parties that control foreign carriers, own more than 25% of WholeTel or are parties to or beneficiaries of a contractual relation affecting the provision or marketing of international basic telecommunications services in the United States.

No owner of WholeTel controls a foreign carrier in any country.

WholeTel has no affiliation with a dominant US carrier whose international switched or private line services which WholeTel seeks authority to resell.

WholeTel seeks authority to provide switched basic services over private lines only to countries for which the Commission has previously authorized the provision of switched services over private lines.

WholeTel seeks authority to provide switched services over private lines pursuant to 63.16 as follows:

WholeTel will only provide switched basic services over its authorized private lines if the country at the foreign end of the private line appears on the Commission list of destinations to which the Commission has authorized the provision of switched services over private lines. WholeTel does not seek to add a foreign market to the Commission’s list at this time.

WholeTel responds to 63.18 (d), (e)4 and (g) as follows:

- (d) WholeTel has not received previous authority under Section 214.
- (e) WholeTel requests Section 214 Authority to operate as a resale carrier pursuant to the terms and conditions of Section 63.18(e)(2).
- (g) WholeTel does not seek facilities-based authority as defined by Section 1.1306, therefore no environmental assessment as described in Section 1.1311 is applicable.
